Haycock Camping Ministries' Campership policy:

Haycock Camping Ministries has established a Campership Fund for the purpose of providing financial assistance to those who would not otherwise be able to attend camp.

Assistance is granted on a partial basis as need is determined. It is expected that each applicant will contribute toward the cost of camp to the extent of personal ability.

Gifts toward the Campership Fund are received from many thoughtful individuals who recognize the valuable impact a camping experience at Haycock can have in the life of the camper.

Please complete this form and **enclose a completed registration form.** (*Applicants will not be considered without the registration form.*) Send it to David Stiansen, Executive Director, at the above address.
